We fell in love with squeaky shoes during the adoption of our Chinese daughter. Once home, she wore her squeaky shoes everywhere. She loved them, we are certain your child will also.

Good Karma Squeakers donates a portion of our proceeds to the Half the Sky Foundation. Half the Sky is a non-profit organization that funds orphanages in China.

When you purchase a pair of our shoes you help support a worthy cause. Thanks for your support of Good Karma Squeakers and Half the Sky!
